Dear Organic Registrant:

Thank you for registering with California Department of Food and Agriculture Organic Program. Your application has been approved and enclosed is a certificate for proof of registration.

Please note that a registrant is required under the California Food and Agricultural Code (FAC) to notify the CDFA State Organic Program of any change in the information listed on their Organic Registration Certificate (form) within 30 days of any changes. An amendment is required when an operation has one or more of the following changes to their registration: Addition of new facilities or growing locations, change of ownership, addition of production acreage, or a change/addition of operation type(s). Any amendments or minor changes to the registration may be done online at **https://organic.cdfa.ca.gov/**

Our mission is to provide professional services that support and contribute to a safe, abundant, quality food supply; environmentally sound agricultural practices; and an equitable marketplace for California agriculture.

Sincerely,

Registration Staff
